## **SENATOR JACK DANFORTH**

**WASHINGTON -- Senate Republican Leader Bob Dole today issued the following statement on Missouri Senator John Danforth's decision not to seek re-election in 1994:**

"The Senate will certainly miss the brilliance and the courage of this one-of-a-kind public servant. Whether it's taking on the tough issues, making the tough votes, or moving us with his rare eloquence, Senator Danforth has earned the lasting respect of Republicans and Democrats, not to mention the people of Missouri and anyone else who cares about leadership and integrity. If you were looking for the true definition of a Senator, it would read 'Jack Danforth'. I've been proud to be his leader and his neighbor."
