CRAIG APPOINTED TO ETHICS COMMITTEE

Washington -- Senate Republican Leader Bob Dole issued the following statement after appointing Senator Larry Craig to the Senate Ethics Committee. The Idaho Senator will replace Senator Ted Stevens of Alaska.

Since his arrival in the Senate two years ago, Senator Larry Craig has impressed his colleagues with his intelligence and his integrity. There are few members of the Senate who are better equipped to meet the challenges of this important Committee.

I want to thank Senator Craig for his willingness to serve the Senate and the American people by taking on this tough but necessary assignment.
