REMEMBERING PRESIDENT NIXON

WASHINGTON -- Senate Republican Leader Bob Dole today issued the following statement:

"Richard Nixon will always be admired for his intellect, for his courage, for his devotion to peace, and for his remarkable commitment to public service and to his country.

"If there's one principle President Nixon believed in more than any other, it was the principle of American leadership. I believe America is better prepared to meet the challenges of the future because of the life, career, and accomplishments of Richard Nixon.

"Elizabeth joins me in sending our sympathies to President Nixon's daughters, Tricia and Julie."
