## **HEALTH CARE REFORM**

### **DOLE STATEMENT ON PROPOSAL OF CHAFEE-LED GROUP**

**WASHINGTON --** Senate Republican Leader Bob Dole today issued the following statement:

"I haven't seen the details of this new proposal, but it gives us another option to consider and may have elements that will be helpful to the debate. The Finance Committee will examine it closely. We will likely have other options, as well. Senator Packwood and I continue to craft a proposal that we hope will attract broad support in both parties. When it comes to health care reform, the bottom line is that we do the job right."
