**STATEMENT OF SENATE REPUBLICAN LEADER BOB DOLE**

**Senate Republican Leader Bob Dole today released the following statement:**

"I was saddened by the passing of Ed Madigan. Over the years, I've had the pleasure of working with this good man from Illinois. Ed will be remembered for a distinguished career in public service, his love for America's heartland, and his dedication to the American farmer. Elizabeth joins me in sending our deepest condolences to his wife, Evelyn, and his children, Kim, Kellie, and Mary Beth."
