PRESIDENT'S SPEECH

WASHINGTON -- Senate Republican Leader Bob Dole today issued the following statement:

"We are pleased to see that President Clinton has finally heard the message we've been hearing for a long time. We welcome him to join us in our efforts to not just downsize government, but reinvent politics by carrying through on our promises to the American people.

"The President's proposals are nothing that hasn't been suggested before. We'll be happy to consider them along with Republican plans to expand opportunity for everyone in America."
