DOLE CONGRATULATES 1996 CONGRESSIONAL AWARD MEDAL WINNERS

WASHINGTON - Senate Majority Leader Bob Dole today congratulated seven young Kansans who have been named Congressional Award medal winners. The winners will receive their medals in a ceremony held Saturday morning at the State Capitol Building in Topeka.

"These young Kansans have proven an extraordinary commitment to achieving personal goals and building better communities," Dole said. "I commend each of these young leaders for the initiative and the hard work involved in earning this award. I'm pleased to join with community and state leaders and proud family members in offering this group the heartiest congratulations."

Silver medal winners are Methapan Arunakul of Topeka and Tiffany Hook of Olathe.

Bronze medal winners are Sarah Andrews of Spring Hill, Amy Halvorson of Olathe, Jeff Jones of Merriam, Aaron Tobias of Lyons, and Todd Smutz of Olathe.

Each year, the Kansas Congressional Award Committee selects winners based on their individual accomplishments in voluntary leadership activities, personal achievements and physical fitness.

The award ceremony is Saturday, June 8, 1996 at 11:00 a.m. in the Supreme Court Room, third floor of the State Capitol Building in Topeka. The event is open to the press.
