

FROM THE OFFICE OF:

FOR IMMEDIATE RELEASE  
March 2, 1961

Bob Dole  
Member of Congress  
Kansas, Sixth District

Seven recent graduates of the University of Kansas Engineering School who are presently on the staff of Admiral Hyman G. Rickover, working in the nation's atomic reactor program, are shown here with their Congressman in the Capitol.

They are left to right: Front, Larry C. Schooley, Kiowa; Congressman J. Floyd Breeding; Gerald M. Simmons, Parsons; Lawrence J. Merrigan, Kansas City, Missouri; and Congressman Robert F. Ellsworth.

Rear, Dwight H. Harrison, Downs; Gene L. Rogers, Dresden; Leo G. LeGade, Concordia; Congressman Bob Dole; and Charles R. Thomas, Winfield.

The engineers and Congressman had lunch and visited in the House of Representatives Restaurant on Wednesday, March 1.
