FOR IMMEDIATE RELEASE

FROM THE OFFICE OF CONGRESSMAN BOB DOLE, MEMBER OF CONGRESS,
SIXTH DISTRICT, KANSAS, WASHINGTON, D. C.

Congressman Bob Dole has been notified by the Community facilities Administration that an advance of \$600 has been made to the City of Lorraine, Kansas, for preliminary planning of sewerage facilities to cost an estimated \$46,690.

Lorraine has no municipal sewer system and such facilities are necessary to eliminate unsanitary conditions, according to reports.

This project is being assisted under the Program of Advances for Public Works Planning authorized by the Housing Act of 1954, as amended. This program provides interest-free advances for planning essential public works and community facilities. Advances are repayable on start of construction which will be in 1963.
