FOR IMMEDIATE RELEASE
May 12, 1962

Congressman Bob Dole, (R-Kans) wired Secretary of Agriculture Orville L. Freeman today urging him to take immediate steps to use his administrative authority to extend the sign-up date under the 1962 Wheat Stabilization Program to June 1, 1962.

Dole stated many Western Kansas wheat farmers have indicated their desire to participate to a greater extent in the 1962 Wheat Stabilization Program, and that if the sign-up date were extended, additional acreage could be diverted from production.
