Congressman Bob Dole, Republican candidate for Congress in the New First Congressional District told Republicans at a breakfast meeting here this morning the big issue in Congressional campaigns throughout the country this year will be halting ~~an~~ <sup>the</sup> expanding power of the executive branch of our government.

Dole said, "In the Congressional race in the 1st District the issues are clear. The voters more than ever before have a clear cut choice between a rubber-stamp new frontiersman (J. Floyd Breeding) and one who believes in restricting the role of federal government in business, agriculture, education, medicine and many other fields."

Dole cited the fact Walter Reuther, A.F. of L. - C.I.O. President, rated Breeding 100% and Dole zero on their voting in the first session of the 87th Congress. Dole also stated the left-wing A.D.A. group (Americans for Democratic Action) rate Breeding 90% and himself zero. Dole said the liberal A.D.A. group boasts of such members as Eleanor Roosevelt, Orville Freeman, Chester Bowles, Abraham Ribicoff and Secretary of Labor, Arthur Goldberg.
