DOLE CALLS ON CARTER TO "REBUKE" POWELL

WASHINGTON, D.C. -- Senator Bob Dole today called on President Carter to rebuke his Press Secretary, Jody Powell, for what Dole termed "Powell's cheap shot" at Senator Percy.

"President Carter repeatedly promised a lofty, above board Administration, but now a member of his 'inner circle' is feeding unsubstantiated charges against Senator Percy to the news media," Dole said. "It is all too reminiscent of another era of 'enemies' lists' and dirty tricks. It is an outrage. Senator Percy has done an outstanding job and he deserves praise not criticism."
