DOLE-DANFORTH-DOMENICI HEALTH BILL TO BE ANNOUNCED AT MONDAY CONFERENCE

WASHINGTON-- Senators Bob Dole (R.—Kansas), Jack Danforth (R.—Missouri) and Pete Domenici (R.—New Mexico) will hold a press conference on Monday at 9:00 A.M. in room 4200 Dirksen Senate Office Building to announce their health care initiative.

"Our bill," Senator Dole said today, "is a responsible, Republican alternative to the Administration's legislation, which was announced this morning. And it stands a far better chance of gaining acceptance in the Congress and in the nation than either President Carter's plan or the plan we expect Senator Kennedy to announce next month."
