DOLE ANNOUNCES ACADEMY NOMINATIONS

WASHINGTON -- The office of Senator Bob Dole (R.-Kansas) today announced the selection of 42 young Kansans as the 1981 nominees to compete for appointments to the United States Air Force Academy, Merchant Marine Academy, Military Academy, and Naval Academy.

Using the "competitive method" of nomination, Senator Dole nominates a slate of 10 individuals for each vacancy he intends to fill. Each Academy further evaluates the candidates and offers an appointment.

Gradually, admissions representatives are contacting successful candidates to offer an appointment. Notification will continue through the middle of April. Several of those applying were offered an appointment earlier after receiving a nomination from another office.

Every effort has been made to avoid unnecessary duplicate nominations so that more individuals will have the opportunity to be considered by an Academy of his or her choice. The nomination process begins in the fall, usually in the senior year of high school. Those interested should contact Senator Dole's office and each Academy admissions office for application materials. The deadline for submitting completed forms is early December.
