DOLE AND KASSEBAUM ANNOUNCE
WEATHERIZATION ASSISTANCE FOR KANSAS

WASHINGTON -- Kansas Senators Bob Dole and Nancy Kassebaum today announced that the U.S. Department of Energy (DOE) has awarded \$1,009,026 to the State of Kansas. The funds are to be used for implementation of the Weather Assistance Program, in accordance with existing program regulations.

"We are pleased to make this important grant announcement. These funds will be a tremendous benefit to low income Kansans," said Dole and Kassebaum in a joint statement.

The money was made available as part of a special appropriation contained in the "Jobs Bill" passed earlier this year. The DOE funds will be used to weatherize homes of low-income Kansans.
