## GARY NELSON OF FALUN INTERNS FOR SENATOR DOLE

WASHINGTON -- Gary Nelson, son of Mr. and Mrs. Vernon Nelson of Falun, recently completed a four-week internship in Washington, D.C. with Senator Bob Dole.

Gary, a junior at Kansas State University, worked as a member of the Senator's personal staff. According to Gary, his internship was one filled with excitement and memorable moments.

"There was never a slow day," said Gary. "Senator Dole is involved in so many areas that it takes many hours of work to keep up with him at the office."

Gary answered constituent mail, researched legislative and governmental topics, and aided the staff working on the Temporary Emergency Food Assistance Act of 1983.

"It has been a wonderful summer. The staff was extremely helpful and fun to work with. I hope to have further opportunities in the future to work for Senator Dole," said Gary.

Senator Dole runs one of the largest internship programs on Capitol Hill, employing over 30 Kansas students each summer. According to Dole, "Internships are a valuable educational experience for young Kansans interested in government and politics. I am pleased that we have been able to afford that opportunity to bright, enthusiastic students like Gary."
