OUTSTANDING KANSAS TEACHER MEETS WITH DOLE

WASHINGTON -- Kansas Senator Bob Dole is pictured with Ms. Charlotte Keith of Olathe and her husband Raymond in Sen. Dole's Washington D.C. office. Ms. Keith was in Washington to receive a 1985 presidential award for excellence in science and mathematics teaching. Ms. Keith, a mathematics teacher at Indian Trail Junior High School, was one of two Kansans to receive the award.

The awards are given annually to outstanding math and science teachers who serve as models for their colleagues. A \$5,000 grant is sent to their schools, under the direction of the awardees, to supplement other resources for improving their science or mathematics program.
