STATEMENT BY SEN. BOB DOLE ON THE  
DEATH OF MCDILL "HUCK" BOYD

Lincoln, NB -- The following statement has been issued by Senator Bob Dole on the death of McDill "Huck" Boyd of Phillipsburg, KS, who was publisher of the Phillips County Review, member of the Republican National Committee and long-time friend:

"I am deeply saddened by the passing of my good friend, and my mentor, Huck Boyd.

"He was a good, decent man who had a simple, basic faith in his fellow man - never too busy to stop and offer a kind word, a helping hand or anything else that may ever have been asked of him.

"It was a rare privilege and a great honor to have known Huck, and to have learned so much from him. The people of Kansas will miss him, and many of us will walk in his shadow for years to come.

"His wife Marie and family have my deepest sympathy and prayers."
