DOLE ANNOUNCES GRANT FOR ULYSSES AIRPORT

Washington, D.C. -- Kansas Senator Bob Dole today announced that Ulysses Airport will receive \$940,000 from the Federal Aviation Administration (FAA).

"This grant will result in substantial improvements at the Ulysses Airport," said Dole. "Maintaining dependable transportation service is vital to Grant County's economy."

Senator Dole has supported Grant County in requesting federal assistance for airport improvements since 1988.

The allocation will be used to construct a runway, to rehabilitate a second runway, and to acquire land for future developments.

The grant was awarded under the FAA's Airport Improvement Fund.
