DOLE ANNOUNCES \$1.2 MILLION GRANT FOR GARDEN CITY AIRPORT

Washington, D.C. -- Senator Bob Dole (R-Ks) announced today that the Garden City Airport will receive \$1,243,575 from the Federal Aviation Administration (FAA).

"This grant will fund substantial improvements that this airport needs to upgrade its services," said Dole. "It is important to continue to develop our rural transportation services as they are a vital part of the area's economy."

The grant will be used to improve runway safety, extend and rehabilitate taxiways, and light a runway. The grant was awarded under the FAA's Airport Improvement Program.
