WICHITA'S DOMESTIC VIOLENCE PROGRAM IN LINE FOR
\$500,000 THANKS TO DOLE

WASHINGTON - At the request of Senator Republican Leader Bob Dole (R-Ks), the Senate Appropriations Committee today approved \$500,000 for a Special Purposes Grant for Wichita. The full committee completed action on the FY 1992 Veterans Administration, Housing and Urban Development, and Independent Agencies Appropriations bill. The funds will be used to help support Wichita's Domestic Violence Program.

"This outstanding program is a welcome addition to the fight against the rising toll of domestic violence. This program provides increased intervention services for victims and requires the police to maintain a mandatory arrest policy. It also assists towards the prosecution and treatment of offenders."

"It's worked so well for Wichita that program officials need to hire additional personnel just to catch up on the backlog of court cases. I'm glad the committee agrees with me that this solid Kansas program is worthy of funding," said Dole.
