DOLE ANNOUNCES \$189,000 FOR JOHNSON COUNTY INDUSTRIAL AIRPORT;
FUNDS FOR FIRE-FIGHTING AND SAFETY EQUIPMENT

WASHINGTON - Senator Bob Dole (R-Ks) announced today that the Johnson County Industrial Airport, Olathe, will receive \$189,000 from the Department of Transportation to acquire new fire-fighting equipment. The discretionary funding, personally directed to the Industrial Airport by Secretary of Transportation Samuel Skinner, at the request of Senator Dole, will be used to acquire a Quick Response Aircraft Rescue and Fire-fighting Vehicle.

"As Johnson County expands, we must continue to fund improvements for the Industrial Airport, which is becoming a vital transportation center for many businesses and customers in the area. I'm pleased that Secretary Skinner recognizes the importance of bringing this state-of-the-art safety equipment to Olathe," said Dole.
