AUGUSTA AIRPORT TO RECEIVE \$228,240

WASHINGTON - Kansas Senator Bob Dole announced today that the Augusta Municipal Airport, Augusta, will receive \$228,240 for airport improvement projects. The funding comes from the Federal Aviation Administration, a division of the U.S. Department of Transportation and is entirely at the discretion of the Secretary of Transportation.

"Economic development increasingly depends on quality air service. This is particularly important in rural areas, where access is vital to maintaining a community's economic lifeline. I am pleased that Secretary Skinner recognizes Kansas aviation needs," said Dole.

The funding will be used to conduct a master plan update, to seal-coat runways and taxiways, and to reconstruct taxiways.
