Senator Dole Scheduled for Surgery

WASHINGTON -- Senate Republican Leader Bob Dole (R-Kansas) was admitted this afternoon to Washington's Walter Reed Army Medical Center for evaluation and treatment of a prostatic condition.

He is scheduled for surgery tomorrow morning. Senator Dole's physicians describe the elective surgery as "a standard procedure." Senator Dole is expected to be hospitalized for about a week.

As a wounded combat veteran of World War II, Senator Dole is eligible for treatment at Walter Reed because of his medical discharge from the Army.
