WAKE-UP CALL TO WHITE HOUSE: SCRAP WORLD-RECORD TAX INCREASE, CUT SPENDING FIRST

The drop in the Index of Leading Economic Indicators, declining consumer confidence, and the alarming 21% plunge in new home sales are dramatic proof that the last thing the sluggish economy needs is the Clinton tax plan.

These sluggish economic statistics should be a wake-up call to the White House to scrap its world-record tax increase, and start over by cutting spending first, as the American people are demanding.
