SENATE COMMITTEE INCLUDES DOLE REQUEST FOR
BROWN VS. BOARD OF EDUCATION

WASHINGTON - Kansas Senator Bob Dole announced today that the Senate Appropriations Committee has approved his request of \$175,000 for the National Park Service to acquire the Monroe Elementary School in Topeka - the future location for the Brown vs. Board of Education National Historic Site. The committee included the funding in the Department of Interior Appropriations bill for the coming fiscal year. The measure now goes to the full Senate for approval.

"The committee's approval is the first step in acquiring full Congressional support for the Brown vs. Board of Education National Historic Site in Topeka. This funding would allow the Park Service to purchase the Monroe School in the coming fiscal year, thus moving the plan forward at a more rapid pace," said Dole.

"With tight budget constraints this year, I'm pleased that the committee has endorsed this proposal as one of its priority projects. The Monroe School played a prominent role in our nation's civil rights history and certainly warrants this fitting national recognition," said Dole. "We'll stay on top of this request as it moves through Congress."

Last year, Senator Dole introduced legislation to establish the Brown VS Board of Education National Historic Site at the Monroe Elementary School in Topeka, Kansas. Dole engineered the passage of the measure during the final hours before the Senate adjourned for the year. President Bush signed the measure into law October 26, 1992.
