DOLE CONGRATULATES KSU-SALINA RETRAINING CENTER;
\$7.7 MILLION CHECK ARRIVED TODAY

WASHINGTON - Kansas Senator Bob Dole announced today that Kansas State University has received a \$7.7 million check from the Department of Defense for the KSU-Salina Aeronautical Technology Center's pilot training program. Contrary to earlier news reports, the check was never delayed.

"I want to congratulate the KSU-Salina Technology Center and am pleased that I could be of assistance in working to secure the funds for this outstanding program. The Center can now begin purchasing airplanes and equipment necessary for expanding its pilot reeducation initiative. It's a one-of-a-kind aeronautics program."
