DAVE DURENBERGER

Washington -- Senate Republican Leader Bob Dole made the following statement on the announcement by Minnesota Senator Dave Durenberger that he will not seek re-election to the Senate:

"Senator Durenberger discussed with me in advance his decision not to seek re-election to the Senate. Dave has done a good job for the people of Minnesota in the Senate, where he is one of the most respected voices on health care and the environment. Now, we must move ahead, and work to put another Republican in Dave's seat."
