NAFTA: HOUSE VOTE

**"NAFTA'S A LOCK," HEADED FOR BIG SENATE VICTORY:
REPUBLICAN VOTES MAKE THE DIFFERENCE**

WASHINGTON -- Senate Republican Leader Bob Dole tonight issued the following statement regarding the approval of the North American Free Trade Agreement by the House of Representatives:

"NAFTA's a lock. After winning it going away in the House, this historic trade agreement is headed towards a big victory in the Senate, where a strong majority already supports NAFTA.

"NAFTA's approval in the House is good news for America's future, for our workers, for economic growth, and for our role as the leader in global trade.

"No doubt about it, by delivering a majority of the House GOP, Republican votes made the difference. I applaud the President for reaching out, and I congratulate Bob Michel and Newt Gingrich for their extraordinary leadership."
