STATEMENT OF SENATE MAJORITY LEADER BOB DOLE

WASHINGTON -- Senate Majority Leader Bob Dole today issued the following statement regarding the Supreme Court's decision in the Adarand Constructors versus Pena case:

"The Supreme Court's decision today is one more reason for the federal government to get out of the race-preference business. The bottom line is that the federal government should work to bring all Americans of all backgrounds together, not to divide us by race. It's now our responsibility in Congress to follow the Court's lead and put the federal government's own house in order."
