DOLE ANNOUNCES TRANSFER OF
OLD FEDERAL COURT HOUSE TO WYANDOTTE COUNTY

WASHINGTON - Senator Bob Dole today issued the following statement today, upon notification by the General Services Administration that the old federal court house in Kansas City, Kansas, has been approved for transfer to Wyandotte County.

"Wyandotte County and Kansas City have outlined solid plans to use the court rooms and facilities in the old court house in support of law enforcement," Dole said. "Local leaders have worked hard to make their way through the bureaucratic maze and qualify for the transfer. I think we're all eager to put these plans into action."

"I was pleased to work with a dedicated team of individuals who are committed to meeting the needs of local citizens," Dole added. "In my view, this transfer will be another important step in establishing downtown Kansas City, Kansas, as a government center."
