DOLE REQUEST FOR FORT LEAVENWORTH SCHOOLS
WINS FINAL SENATE APPROVAL

WASHINGTON - Kansas Senator Bob Dole announced that the U.S. Senate late yesterday gave final approval to legislation which will help improve the quality of education at the Fort Leavenworth School District. His request for \$477,000 was included in the 1996 Defense Appropriations Bill, which now heads to the President's desk to be signed into law.

"These funds would allow the Leavenworth School District to use new technology as a tool to better educate the children of our service men and women," Dole said. "The ability to tap into these resources is a big step forward for Leavenworth."

The funds will be used to enhance the District's communication technology by integrating Fort Leavenworth schools into the Base's existing fiber optic network.
