Honorable Robert Dole
141 Hart Building
United States Senate
Washington, D.C. 20510

Dear Senator Dole:

On Tuesday, July 26, a special group of Florida Republicans has plans to visit our nation's capital and participate in a series of special events. Capitol Hill and White House briefing sessions are on the agenda and the Vice President and Mrs. Bush have graciously invited our group to complete their visit with a reception at their Washington, D.C. residence.

This group is called the Florida Victory Committee and will number close to 150. These loyal Republicans represent the backbone of our state party and each has generously contributed \$5,000 to our efforts. As a result, we will be able to support the Victory '88 program -- the national program designed to elect Republicans from the courthouse to the White House this coming November.

Already, we have taken great strides in building a Republican base. Through our efforts we finally have a two-party political system in Florida and the Florida Victory Committee should be given a great deal of credit for this. Under the leadership of Alec Courtelis, the Finance Chairman of the Republican Party of Florida, and Joe Zappala, the Chairman of the Florida Victory Committee -- our program is recruiting new members daily and we are looking forward to a strong future.

Our pending visit to Washington, D.C. has two purposes. The first is a "thank-you" to our generous contributors for their support. This special visit will give us an opportunity to express our gratitude to them.

The second is an education mission. We hope to introduce our contributors to a host of elected and appointed officials, political advisors, and political activists who will provide us with some fresh political insights.

With these thoughts in mind, we would specifically like to invite you to address our Florida Victory Committee during our breakfast session on Tuesday, July 26. We will be meeting in the grand ballroom of the Willard Hotel
