RE: Remarks to Printing Industries of America
April 28, 1992

*You are scheduled to speak to about 100 printing industry executives attending a legislative conference.

*They have asked for brief remarks, followed by Q&A.

*Issues of special concern to them are the striker replacement bill, mandated leave legislation, OSHA reform, and RCRA reauthorization.

Senator--You had put a question mark in the speech draft about the RCRA information. I re-checked the information with Greg Schnacke, and he confirmed that the Environment Committee will be marking-up the RCRA bill this Wednesday.

Dear Sen. Dole:

Senator,
I have on your schedule the

10:30 Dinner on Tues, April 28 on Capitol
Hill. You have not committed to
this as of yet per Jo-Anne.

OK

\$2,000-

PIA's annual Legislative Conference will be held on April 28 this year at the Loews L'Enfant Plaza Hotel. Our conference brings together more than 100 industry executives who spend a day learning about issues of concern to the industry and then go to Capitol Hill to lobby Congress for our positions. We would very much like to have you appear as our kickoff breakfast speaker on the morning of April 28. The breakfast session will start at 8:00 am, ideally, you could start your talk between 8:00 - 8:15, speak for about 20 minutes and then take a few questions.

Our legislative focus this year is on the Strike Bill, OSHA Reform, RCRA reauthorization, and health care. Sen. Chafee will speak to us at lunch regarding health care, so any insights from you into possible action on the Strike Bill or OSHA Reform would be welcome, along with any general comments you wish to make about the legislative and political agendas for the remainder of the year.

We hope you can accept our invitation and I look forward to hearing from you. Please call me at 703-519-8196 with any questions.

Sincerely,

John Runyan
Director of Political Affairs
