Dear Bob:

I would be grateful if you would assist me with a very special request.

I sponsor an annual program called Congressional Classroom involving one high school junior from each high school in my district (a total of 24 plus their chaperones) and they spend one week in Washington, D.C. learning about their federal government at work. The dates for this year's program are May 3-9 and since it is my final year in Congress, I am trying to make this program the best ever. We would all be thrilled if you are able to participate.

The highlight of the students trips in years past has been the opportunity for them to meet with a variety of Senators and Members of Congress. This year, I am hosting a luncheon on Tuesday May 5 in room 628 of the Dirksen building and it would be super if you could stop by for about 15 minutes between the hours of 12 noon and 2:00 pm. If you would say a few words and then let the students ask you a few questions, we would all be thrilled.

Kristen Martty of my staff will be in touch with your scheduler but should you have any questions, please don't hesitate to call on us. Thank you for your consideration.

Best regards.

Sincerely,
