She'll be ready to volunteer in mid-June.

5. Call Sam Cohen re: bid for IRS building for Wichita. Called 5/18/92. He feels that it's in the best interest of the government to put the building on his land. I informed him that at our request, GSA delayed the bidding 6 months to allow the city of Wichita to select a sight to be made available to several bidders. No sight was selected. IRS could not wait any longer. GSA advises that there are several competitive bids on good sites in downtown Wichita. Decision will be made shortly. Del Stromer is calling Sam to reinforce and elaborate.

MEMORANDUM
May 5, 1992

TO: SENATOR/JOYCE/YVONNE/JO-ANNE

From: Judy

Re: Kansas schedule, May 15, 16, and 17

Following is the Kansas schedule for May 15, 16, and 17. I have added some options for you to look at for Friday, May 15, after the dedication at the Hutchinson Cosmosphere, and before Pratt Community College commencement. Also, I have added a suggestion for Saturday, May 16, in Kansas City, following the Bonner Springs parade. I have marked these additions to the schedule so you don't have to go through the entire schedule to find them.

I am in the process of finding options for the "open" times on your schedule for the following week. Will be sending it to you later today, or tomorrow.

OPTIONS

With regard to my suggestion on Draft #5 of the schedule, that we plan a DFS event, I haven't been able to reach Lillian, but I will. In the meantime, Mike looked at the River Festival schedule, and Steffen's Old Fashioned Ice Cream Social is from 6:00 p.m. to 7:30 p.m. As far as logistics is concerned, there is not a significant difference in the distance from Great Bend to Pratt and Wichita to Pratt, so either would work.

**You had asked if there was anything else in the area you could do. Kathy Ormiston called with the suggestion that you visit Wyandotte House in Kansas City, Kansas. Wyandotte House is a facility for neglected and abused children and you got \$750,000 for them last year. I called Wayne Simms this morning to see if such a visit was a possibility. He said they would be glad to have you and would have State Senator Dick Bond and others there if you decide to do it. Some of their buildings are still under construction, so they don't have as many children there as they will later. Also, they have invited you to be the keynote speaker for their dedication ceremony during the July recess, or later in July if necessary to accommodate your schedule. As you probably know, the new children's center will be named after you and Senator Kassebaum.

**With regard to the 50th Anniversary Celebration of Sunflower Army Ammunition Plant, they have two speakers scheduled at 1:00 p.m., who will take up 20-25 minutes. Other than that, it will be a general open house with exhibits, tours, etc. throughout the day. If you want to be there at 1:00 p.m., there is really no way you can do the Bonner Springs parade. If you want to visit Sunflower later in the day, Captain Cofelt indicated they would provide you with a parking pass, but didn't seem too interested in doing much else.

**Blue Valley High School is approximately 15 minutes from Johnson County Executive Airport. They will put you on the program just about anywhere you want to be, but realistically, you probably wouldn't speak before 2:15 p.m. -If you spoke at 2:15, you would probably finish at about 2:40 p.m.. Add 15 minutes to the airport and 30 minutes to Topeka -- 10-15 minutes from the Topeka airport to Monroe school, would get you there at about 3:15 p.m.

It would seem to me it would be easier to do one or the other.
