The Honorable Robert Dole
United States Senate
Washington, D.C. 20510

Dear Senator Dole:

The NFIB Foundation's leadership body, the Council of 100, will hold its annual Washington Briefing on April 21. This meeting will bring together leaders of the nation's largest small business organization to discuss public policy issues that affect independent business.

I am pleased to extend an invitation to you to meet with this group on Wednesday, April 21, between 1:30 and 3:30 pm at the Small Business Committee Room in the Russell Senate Office (428 Russell) Building. It would work well for us if you could speak at 2:20 pm, but our schedule is flexible.

If you accept this invitation, I will forward you a copy of the Foundation/American Express report, Small Business Problems and Priorities for your comments on the issues addressed. The format will give you five to ten minutes to present your view with an equal period to garner questions for the group.

I hope that you will be able to join us.

Sincerely,

David R. Jones
President
The NFIB Foundation
