

TO: Senator Dole
FR: Kerry

RE: Berkeley, West Virginia Chamber of Commerce
Wednesday, May 26 @ 10:45

*You will be meeting with approximately 60 chamber members in town for a one day program. You are the first speaker of the day. Senators Byrd and Rockefeller will speak in the afternoon.

*They're looking for a few minutes of opening remarks, and then Q&A.

*A good line might be that "You're so used to Senator Byrd moving Washington to West Virginia, you had to come by and actually see West Virginia moving to Washington."

Senator Robert Dole
141 Hart Building
Washington, DC 20510

Dear Senator Dole:

It is with great pleasure that I extend an invitation to visit with over 60 business and professional individuals from Eastern West Virginia at 9:45am or 10:45am on Wednesday, May 26. For over 30 years we have been the only local Chamber of Commerce in West Virginia to participate in a regular visit to Washington to discuss, with our governmental leaders, current policy opportunities.

Presently Senator Robert Byrd, Senator John D. Rockefeller, IV and Congressman Bob Wise will be meeting with our group in the afternoon of the same day. We will be discussing health care legislation, infrastructure improvements, job development, budget alterations and present, as well as, future tax developments. Your insights will be extremely helpful as we help explore solutions to these enumerated tasks.

We sincerely hope you will be able to join us on Wednesday, May 26, in room S-207 at the Capital or at another location if you so desire. Thank you for your consideration and we await your reply.

Sincerely,

Michael D. Malone
