Dear Colleague:

I will be hosting the annual Senatorial Luncheon of the YMCA National Youth Governors' Conference on Wednesday, June 15, from 11:35 a.m. to 1:30 p.m. in the Mansfield room. Every year since 1964, members of the Senate have hosted these outstanding youth leaders for a luncheon during their seven-day conference.

High school students from virtually every state will be present. The youth governors, collectively representing over 25,000 peers, are elected after campaigning during their respective state youth and government programs. Each state conference facilitates a mock legislature, judicial system and executive branch, where students literally take over the state capitol and supreme court during deliberations. The youth governors then attend this annual National Conference, which affords a select group of student leaders an exceptional opportunity to meet with leading policy makers, political leaders, and political commentators.

The format will be the same as in the past. Senators may stop by for a brief visit and are encouraged to make a few brief remarks to the group. A photo opportunity with the youth governor from your state will also be available.

If you are unable to attend, the YMCA requests that you not send a staff person in your place. Instead, the youth governor might make arrangements to meet with you or your staff at another time during the week.

Please feel free to drop by the lunch at any time between 11:35 a.m. and 1:30 p.m. Please call Barbara

Handwritten signature and initials in the right margin, including a large stylized 'C' and 'B'.

Shaeffer or Don Kyzer of the YMCA of the USA, at 1-800-872-9622, to R.S.V.P. or to request additional information.

I hope that you will join us on June 15th.

With best wishes,

Sincerely,

Conrad Burns

RE: YMCA National Youth Governor's Conference
Wednesday, June 15

*This is a group of one high school student from almost every state participating in a seven-day conference. The "Governors" are elected at programs in their home states and preside over a mock legislature.

*Senators will be dropping by throughout the day to offer brief remarks and take questions.
