FR: Kerry

RE: Meeting with Paxon's supporters

\*Brief remarks and Q&A with 25-30 of Congressman Paxon's key supporters from his district. Another 10-20 NRCC supporters in town for yesterday's event may also join the group.

\*I spoke with Paxon's people about getting some more support to Todd Tiahrt and putting him on the targeted list, and they assured me they would get on it.
