Dear Bob,

Thanks so much for your nice note encouraging me to accept the National Teachers Hall of Fame invitation. I'm afraid my Spring schedule is far too hectic and I'm planning on cutting back this summer when in Kennebunkport. As far as Fall is concerned, George and I are doing quite a bit of foreign travel and I already seem to be swamped with requests. For the time being, I'm turning down almost all invitations to speak in an effort to enjoy this thing called retirement.

I know it is a disappointing response, but I hope you understand. I'll be sure to keep the invitation in mind and will try to schedule a visit to the NTHF if I'm in the area. Please convey my deepest regrets and my best wishes for a successful event.

With all best wishes, in which George joins,

Warmly,

Barbara

You are doing a remarkable job and we wish you all good things. We meet many admirers across the country. Good luck.

Love to Elizabeth.
