

THE WHITE HOUSE

WASHINGTON

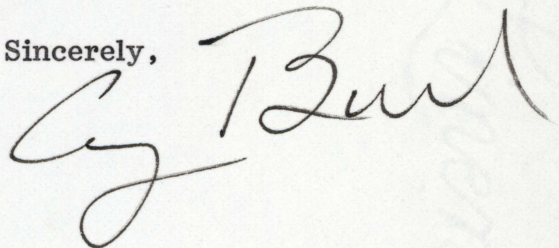

January 10, 1990

Dear Bob:

As I review our accomplishments during the First Session of the One Hundred and First Congress, I wanted to extend particular thanks to you for your help in securing the appointment of Thomas Van Bebber as U.S. District Judge for the District of Kansas. I especially appreciate your understanding of and cooperation in the appointment process, and seek your invaluable assistance in assuring that it continues to function effectively.

All my best to you and yours as we begin the new year.

Sincerely,
