The Honorable Robert Dole
United States Senate
Washington, D.C. 20510

Dear Senator:

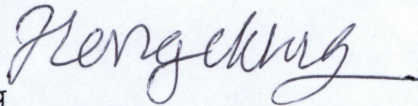

I am sending you, with a request for your help and support, a copy of my letter of 9 October regarding my candidacy for the presidency of Cambodia in its coming elections.

I am the only presidential candidate who lives in the United States and who is a member of the Republican Party of the U.S. (~~also a~~ member of the Senate Inner Circle). The other candidates live in Socialist or Communist countries.

I have enough supporters inside Cambodia, in the U.S., and in Europe, Canada, Australia and New Zealand. But the Communist candidates, having prepared to seize power for more than ten years, will use any means - even though they are illegal - to win the elections.

Your help and support, together with assistance from the United States government, will be indispensable. Thank you for all your efforts to bring freedom and democracy to Cambodia.

Sincerely yours,

Heng Cheng
Former President of Cambodia
President of the Coalition Liberal Democratic Party
in the next Cambodian elections
