

THE WHITE HOUSE

July 28, 1993

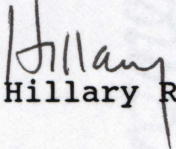

The Honorable Bob Dole  
United States Senate  
Washington, D. C. 20510

Dear Senator Dole:

Thank you for sending me the  
"Saturday Night Live" tape, which I  
received on my return from our trip to  
Japan. It must be the first time the show  
made the President look better than anyone  
else!

It was good to hear from you.

Sincerely yours,

  
Hillary Rodham Clinton
