

OFFICE OF THE VICE PRESIDENT

WASHINGTON

June 20, 1995

Dear Senator:

History has shown that the Presidency of Franklin Delano Roosevelt was one of the most defining and pivotal periods of the 20th Century. Directing our country through the Great Depression, President Roosevelt dedicated himself to putting our nation back to work by championing an unrivaled economic recovery. He led our country through the Second World War with courage, strength, and vigor. His confidence in the spirit of the American people never wavered; and in return, Americans believed in the good of their government.

I am asking you to support Senate Resolution 75, a bill which will recognize President Roosevelt's accomplishments by designating October 1996 as Roosevelt History Month.

Half a century after the passing of President Roosevelt, our nation continues to reflect on his enduring legacy. Leaders from both sides of the aisle often cite Roosevelt's achievements as examples of what government can do. As we remember the Roosevelt years, our nation may take inspiration from the past and look toward the future with anticipation and hope. I invite you to support Senate Resolution 75 in celebrating the life of President Roosevelt.

Please contact Jon Wise of Senator Moynihan's office at 224-4451 or Kim Hopkins of my staff at 224-8391 if you have any questions or would like to be a co-sponsor. Thank you for your consideration.

Sincerely,
