BOB DOLE

August 11, 1964

The Honorable Robert Dole  
224 Cannon House Office Building  
U. S. House of Representatives  
Washington, D. C.

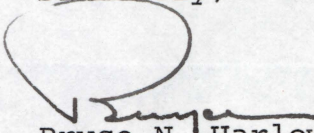

Dear Bob:

I very gratefully acknowledge your August 7 note. I was proud as peacock to be at your breakfast and felt bigger by far than I am.

I thought Dick did a spectacularly fine job and hope you think so too. As to his coming to your District, I trust you will pursue this matter with him by letter, in addition to the personal chat with him about this while he was here. He has a sackful of such invitations; yours should lead the list.

With warm regard,

Sincerely,

Bryce N. Harlow
