

JESSE HELMS
UNITED STATES SENATE

Bob - m

February 8, 1974

3 1 sock etc

Dear Bob:

I haven't the nerve to say anything about socking it to you, but it occurred to me that you might enjoy this pair of men's hose, which I send with the compliments of some friends in North Carolina.

Burlington Mills made them available to me, specifically Mr. Joe Turner at the Asheboro, North Carolina plant.

I hope you enjoy wearing them.

Sincerely,

Jesse
