Honorable Robert Dole
House of Representatives
Washington, D. C.

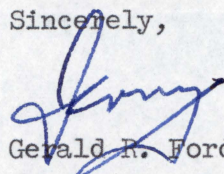

Dear Bob:

After reading your detailed report of the meetings and conferences of the Food and Agriculture Organization held in Rome, Italy, last year, I can well understand your desire to return and participate in the activities and deliberations of the group when it convenes in Rome early in November this year.

Although it is a bit early to anticipate what the situation may be when the expected invitation from the State Department is received early in the fall, I shall certainly keep your special circumstances in mind in selecting our Republican Congressional Adviser.

Warmest personal regards.

Sincerely,

Gerald R. Ford

Dear Mr. Speaker:

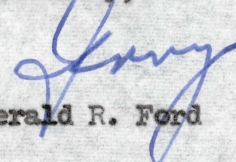

In response to your recent request, it is my recommendation that Representative Bob Dole, of Kansas, be appointed to serve again as one of the Congressional Advisers to the United States Delegation to the Fourteenth Session of the Food and Agricultural Organization.

Mr. Dole has been advised that the conference is scheduled to convene at Rome, Italy, on November 4, 1967. He has been further advised that a representative from the Department of State will be in touch with him and will lend any assistance he may need in connection with his travel arrangements, hotel accommodations, the agenda for the conference, and other related matters.

The courtesy you have extended in seeking my recommendation is appreciated very much.

Warmest personal regards.

Sincerely,

Gerald R. Ford

Dear Mr. Speaker:

On September 21, 1967, I recommended that Representative Bob Dole of Kansas be appointed to serve again as one of the Congressional Advisers to the United States Delegation to the Fourteenth Session of the Food and Agricultural Organization which is scheduled to convene at Rome, Italy, on November 4, 1967.

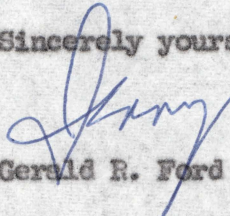

Because of circumstances which have arisen since this appointment, Mr. Dole finds he will be unable to attend and participate in this international conference, and has relinquished the assignment.

To fill the vacancy on the United States delegation thus created, it is recommended that Representative Robert B. Mathias, of California, be designated.

The courtesy you have extended to me in this instance is appreciated very much.

Warmest personal regards.

Sincerely yours,

Gerald R. Ford
