

THE WHITE HOUSE  
WASHINGTON

February 20, 1975

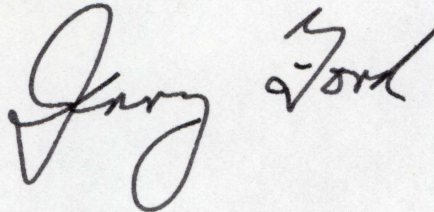

Dear Bob:

Your vote on H.R. 1767 is an example of the kind of leadership and cooperation that will be needed between the Legislative and Executive branches to bring our energy and economic problems under control.

Even though we were not successful in our efforts to prevent the passage of this inadvisable measure, you have demonstrated that you place the welfare of our nation ahead of other considerations, and I want to express my deepest appreciation for your support.

With warmest personal regards.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jimmy Carter". The signature is fluid and cursive, with the first name "Jimmy" written in a large, sweeping script and the last name "Carter" written in a more compact, cursive style.
