

GERALD R. FORD

Sept. 7, 1983

Dear Bob:

Betty and I just learned of your Mother's passing, which we know was a terrible shock to you.

We remember vividly our visit to Russell in August 1976 and our "stop-by" at your Mother's home. She was a great lady who was most important in your life. She was so proud of you.

In this time sorrow you have the deepest condolences of Betty and me. You have our prayers.

Jerry Ford
